

EXTREME SERVICE NIGHT SIGHT FOR 1911 HANDGUN - NOVAK-CUT EX-HEIGHT SIGHT, PLAIN BLK

Sights are not "drop-in" parts, especially for 1911 pistols. There are so many companies, large and small, manufacturing 1911 pistols today and they all have different ideas about dimensional consistency in the sight cut. The only way after-market sight manufacturers can provide you with sights is to manufacture their sights and hold their dimensions on the high side of the range commonly encountered. This means that to install sights on 1911s, you often have to "fit" the sight to the sight cut by finding the surface on the sight that is too big and filing it down until the sight can be installed and still fit tightly. Sometimes it's more than a single surface that has to be fitted. Features include: Square Notch. Flat rear blade with 50 lpi serrations to reduce glare All edges and corners machine radiused for snag-free comfortable carry. Will not cut your hand during "over-hand" slide lock manipulation like some competitors sights Flat front face in adequate size to "hook" on belt, holster, boot heel, etc. for one-handed slide manipulation 8-32 set screw for added security in dovetail Made in the USA The HD-004 is made to the standard .325" blade height and will easily replace other brands of the same height. Also available in T1 and T2 night sight configurations with "Stealth Dot" lamps. HD-004 / HD-005 rear sights will fit the popular Novak LoMount ® dovetail, which is found on fixed sight 1911s offered by Les Baer, Ed Brown, Colt's XSE, RailGun and Gunsite models, Nighthawk Custom, Rock River, Springfield Armory, Dan Wesson, Wilson Combat and others. My HD-004 / 005 sights will fit your slide with minor hand fitting of the sight, if the correct sight cut is already made; otherwise, your slide will need to have the .495" X 65 degree sight cut machined. NOTE: The HD-004/005 sights DO NOT fit: Kimber, Para Ordnance, or S&W 1911s.

Sicherheitshinweise für das EXTREME SERVICE NIGHT SIGHT FÜR 1911 HANDGUN

Einführung

Vielen Dank, dass du dich für das EXTREME SERVICE NIGHT SIGHT für deine 1911Pistole entschieden hast. Diese Anleitung bietet wichtige Informationen zur sicheren Nutzung, Installation und Entsorgung des Produkts, um deine Sicherheit und die Sicherheit anderer zu gewährleisten.

Allgemeine Sicherheitsrichtlinien

- Stelle sicher, dass du die Anleitung vollständig gelesen und verstanden hast, bevor du das Produkt benutzt.
- Verwende das Produkt nur für den vorgesehenen Zweck und in Übereinstimmung mit den Anweisungen.
- Halte das Produkt außerhalb der Reichweite von Kindern und anderen schutzbedürftigen Personen.
- Überprüfe regelmäßig das Visier auf Beschädigungen oder Abnutzung, um sicherzustellen, dass es ordnungsgemäß funktioniert.
- Melde unsichere Produkte oder Unfälle an die zuständigen Behörden.

Spezifische Sicherheitsvorkehrungen für die Verwendung

- Achte darauf, dass das Visier korrekt installiert ist, um ein versehentliches Versagen während der Nutzung zu vermeiden.
- Vermeide es, das Visier zu modifizieren, es sei denn, dies wird ausdrücklich in der Anleitung angegeben.
- Verwende nur die empfohlenen Werkzeuge und Techniken für die Installation, um Verletzungen zu vermeiden.
- Trage beim Umgang mit der Waffe geeignete Schutzausrüstung, einschließlich Schutzbrille und Handschuhe.

Anweisungen zur Installation und Nutzung

1. Vorbereitung

- Stelle sicher, dass die Waffe entladen ist, bevor du mit der Installation des Visiers beginnst.
- Reinige den Bereich um den VisierSchnitt, um Schmutz und Ablagerungen zu entfernen.

2. Installation

- Platziere das Visier vorsichtig in den VisierSchnitt und stelle sicher, dass es richtig ausgerichtet ist.
- Verwende die 832 SetSchraube, um das Visier im Dovetail zu sichern.
- Überprüfe, ob das Visier fest sitzt und keine Bewegung aufweist.

3. Nach der Installation

- Teste die Funktionalität des Visiers, indem du die Waffe sicher in einer kontrollierten Umgebung abfeuerst.
- Achte darauf, dass das Visier während der Nutzung nicht wackelt oder sich lockert.

Entsorgungsanweisungen

- Entsorge das Produkt gemäß den örtlichen Vorschriften für die Entsorgung von WaffenZubehör und metallischen Komponenten.
- Achte darauf, dass das Produkt nicht in die Hände von Kindern gelangt, während du es entsorgst.

Kontaktinformationen für weitere Unterstützung

Für Fragen oder Bedenken zu diesem Produkt, einschließlich Sicherheitsanfragen, wende dich bitte an den Hersteller oder die Verkaufsstelle, bei der du das Produkt erworben hast. Sie können dir die benötigte Unterstützung bieten.

Diese Sicherheitsanweisungen sind darauf ausgelegt, dir zu helfen, das EXTREME SERVICE NIGHT SIGHT sicher und effektiv zu verwenden. Bitte befolge alle Anweisungen sorgfältig, um deine Sicherheit und die Sicherheit anderer zu gewährleisten.

Safety Instruction Guide for EXTREME SERVICE NIGHT SIGHT FOR 1911 HANDGUN NOVAKCUT EXHEIGHT SIGHT, PLAIN BLK

Introduction

Thank you for choosing the EXTREME SERVICE NIGHT SIGHT for your 1911 handgun. This guide provides essential safety instructions to ensure the safe use and installation of the product. Please read this document carefully before using the sights.

General Safety Guidelines

- Ensure that the firearm is unloaded and pointed in a safe direction before handling or installing the sights.
- Always wear appropriate eye protection when installing or adjusting sights.
- Be aware of your surroundings and ensure you are in a secure environment when working with firearms.
- Keep the sights and any tools used for installation out of reach of children and unauthorized users.
- Regularly inspect the sights for wear or damage. Replace them if any issues are found.

Specific Safety Precautions for Use

- Only use the EXTREME SERVICE NIGHT SIGHT with compatible 1911 models. Refer to the compatibility section for details.
- Do not attempt to modify the sights beyond the recommended fitting procedures.
- When fitting the sights, take care to file down only the areas specified in the installation instructions to avoid compromising the sight's integrity.
- Avoid using excessive force during installation to prevent damage to the sight or firearm.
- If you are unsure about the installation process, seek assistance from a qualified gunsmith.

Instructions for Installation and Usage

1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather necessary tools: file, screwdriver, and any other tools recommended for installation.

2. Installation Process:

- Remove the existing sight from the firearm using the appropriate tools.
- Inspect the new sight for any defects before installation.
- Place the new sight into the dovetail cut of the slide.
- If the sight does not fit snugly, identify the areas that are too large and carefully file them down until the sight fits securely.
- Once fitted, secure the sight using the provided 832 set screw to ensure stability.

3. Final Checks:

- Ensure that the sight is aligned correctly and does not obstruct the view of the target.
- Test the installation by manipulating the slide to ensure it operates smoothly without any interference.

4. Usage:

- Practice using the sights in a safe environment to become familiar with their operation.
- Regularly check the sights for any signs of loosening or damage, especially after extensive use.

Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the sights become damaged or unusable, dispose of them in accordance with local regulations for hazardous materials, if applicable.

Contact Information for Further Support

For any safety inquiries or further assistance regarding the EXTREME SERVICE NIGHT SIGHT, please refer to the manufacturer's contact information provided with your product packaging.

By following these guidelines, you can ensure a safe and effective experience with your EXTREME SERVICE NIGHT SIGHT for your 1911 handgun. Always prioritize safety and responsibility when handling firearms.

Guida alle Istruzioni di Sicurezza per il Prodotto

Introduzione

Grazie per aver scelto l'EXTREME SERVICE NIGHT SIGHT per il tuo 1911. Questa guida fornisce informazioni importanti per garantire un utilizzo sicuro e corretto del prodotto, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'UE (GPSR). Ti invitiamo a leggere attentamente queste istruzioni prima di utilizzare il prodotto.

Linee Guida Generali sulla Sicurezza

- Assicurati che il prodotto sia utilizzato solo per lo scopo previsto.
- Controlla regolarmente il prodotto per segni di usura o danni.
- Non utilizzare il prodotto se presenta difetti visibili o se non è stato installato correttamente.
- Conserva il prodotto in un luogo asciutto e sicuro, lontano dalla portata di bambini e animali.
- Segnala eventuali prodotti difettosi o incidenti alle autorità competenti.

Precauzioni di Sicurezza Specifiche per l'Uso

- Utilizza il prodotto solo su pistole 1911 compatibili.
- Durante l'installazione, fai attenzione a non danneggiare la pistola o la mira.
- Non tentare di modificare o riparare il prodotto da solo.
- Evita di utilizzare il prodotto in condizioni meteorologiche avverse, come pioggia o neve.
- Indossa occhiali protettivi durante l'installazione per proteggere gli occhi da schegge o detriti.

Istruzioni per l'Installazione e l'Uso

1. Preparazione:

- Assicurati che la pistola sia scarica e non contenga munizioni.
- Rimuovi la vecchia mira, se presente.

2. Installazione della Mira:

- Controlla che la tua pistola abbia un taglio per la mira di .495" X 65 gradi fresato.
- Se necessario, esegui un leggero adattamento manuale della mira per assicurarti che si adatti correttamente.
- Fissa la mira utilizzando la vite di sicurezza 832 per garantire una maggiore stabilità.

3. Uso della Mira:

- Allinea la mira con il tuo bersaglio e prendi la mira.
- Assicurati di avere una presa salda sulla pistola durante il tiro.
- Dopo ogni utilizzo, controlla che la mira sia ancora saldamente fissata.

Istruzioni per lo Smaltimento

- Segui le normative locali per lo smaltimento dei prodotti non più utilizzabili.
- Non gettare il prodotto nell'ambiente; smaltiscilo in modo responsabile.
- Se il prodotto è danneggiato, considera di portarlo in un centro di raccolta per materiali pericolosi.

Informazioni di Contatto per Ulteriore Supporto

Per domande o ulteriori informazioni riguardanti la sicurezza del prodotto, ti invitiamo a contattare il tuo rivenditore o consultare il sito web ufficiale del produttore per ricevere assistenza.

Ti ringraziamo per aver scelto il nostro prodotto e ti auguriamo un utilizzo sicuro e soddisfacente.
