

Pistola Laugo Arms Alien Full Kit cal 9x19

Laugo Arms Alien is revolutionary semiautomatic pistol with several patented and unique technical solutions.

Alien system of operation does not use obsolete locking mechanisms or normal trigger mechanism.

This new approach is driven by the vision of progress which we want to give to the shooters.

Every shooter is faster with Alien pistol.

This is caused by the lowest bore axis in the world. Bore axis is located just 1,7mm under the axis of shooters grip. As a result, the pistol practically does not elevate after the shot and has almost flat recoil angle and no muzzle flip. With Alien pistol shooters are more accurate.

This effect is caused by the permanently fixed barrel to the frame.

As a result, the barrel does not move during the fire cycle and can free float like on the sniper rifle. That altogether with precise manufacturing contributes to the exceptional accuracy of this firearm.

The Alien pistol brings you perfect controllability.

During the firing especially when rapid firing or performing double taps. This perfect controllability is achieved by Laugo Arms gas delayed blowback system. Alien does not have obsolete locking slide instead we took the gas pressure from the barrel and we let it slow down the recoil by using this power through gas piston against the slide movement. The more powerful shot the more it slows down the recoil. That gives shooter maximum recoil control even with different types of ammo.

The Alien pistol can be extremely easily adopted for different purposes.

With just one click shooter can change the nature of the Alien pistol by changing the upper part of the slide. There are different slide rails available for iron sight, many types of red dot sights, or even MIL-STD-1913 rail.

Moreover, Alien can be equipped with open division kit, that includes compensator, open division upper slide rail, magwell and other optional upgrades.

The shooter gains the advantage from perfect target acquisition.

This has been achieved by permanent line of sight which, unlike the old school pistols, does not reciprocate during the fire cycle. Thanks to this feature shooter can easily control the target all the time even when rapidly firing as he will never lose the line of sight. Red dots will last much longer on the Alien pistol due to the non-reciprocating upper part of the slide. On most pistols the movement of the slide damages the red dot which results to constant need of replacement. The red dot on Alien pistol will last the same as on the standard SMG or rifle – the way it has been designed to work.

TACTICAL TECHNICAL DATA:

Length

210 mm/8.2"

Width

29 mm/ 1.1"

Height

148 mm/5.8"

Barrel length
124 mm/4.8"

Weight
1009 g/ 2.2 lbs.

Weight with empty magazine
1121 g/ 2.47 lbs.

Trigger pull adjustable
10 to 25 n
* adjustable by manufacturer

Standard magazine capacity
17

Bore axis
1,7mm below the line
of grip axis,

Number of replaceable
upper rails
infinity

Recoil angle
1/2 of the others

Sight radius
185mm/ 7.3"

Safety Instruction Guide for Laugo Arms Alien Full Kit cal 9x19

Introduction

Thank you for choosing the Laugo Arms Alien Full Kit cal 9x19. This revolutionary semiautomatic pistol is designed with advanced technology to enhance your shooting experience. However, it is essential to understand the safety guidelines and precautions for its proper use. This guide provides comprehensive safety instructions to ensure your safety and the safety of others.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Keep the firearm pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Be aware of your target and what is beyond it.
- Store the firearm securely and out of reach of children and unauthorized users.
- Regularly inspect the firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding the use and ownership of firearms.

Specific Safety Precautions for Use

- **Age Restrictions:** This firearm is intended for use by individuals aged 18 years and older. Ensure that younger individuals are supervised by a responsible adult.
- **Protective Gear:** Always wear appropriate protective gear, including eye and ear protection, while shooting.
- **Environment:** Use the firearm only in designated shooting ranges or areas where shooting is permitted. Ensure that the area is clear of people and obstacles.
- **Ammunition:** Use only the recommended ammunition (9x19) specified for the Laugo Arms Alien pistol. Using incorrect ammunition can lead to malfunctions or accidents.
- **Maintenance:** Regularly clean and maintain the firearm according to the manufacturer's instructions to ensure safe and reliable operation.

Instructions for Installation and Usage

1. Installation of Accessories:

- Before attaching any accessories (e.g., sights, rails), ensure the firearm is unloaded.
- Follow the manufacturer's instructions for installing any accessories.
- Ensure that all components are securely fastened before use.

2. Loading the Firearm:

- Always point the firearm in a safe direction.
- Check that the firearm is unloaded.
- Insert the magazine into the grip until it clicks into place.
- Pull the slide back and release it to chamber a round.

3. Firing the Firearm:

- Ensure you are in a safe shooting position.
- Aim at your target and ensure the area is clear.
- Place your finger on the trigger only when you are ready to shoot.

- Squeeze the trigger gently to fire.

4. Unloading the Firearm:

- Point the firearm in a safe direction.
- Remove the magazine by pressing the magazine release button.
- Pull the slide back to eject any chambered round.
- Visually and physically check that the firearm is unloaded.

5. Storing the Firearm:

- Store the firearm in a secure location, such as a locked safe.
- Keep ammunition stored separately from the firearm.
- Ensure that only authorized individuals have access to the firearm.

Disposal Instructions

- Dispose of the firearm in accordance with local laws and regulations.
- Do not dispose of firearms in regular household waste.
- Contact local authorities or licensed disposal services for proper disposal methods.

Contact Information for Further Support

For any safety inquiries or additional support regarding the Laugo Arms Alien Full Kit cal 9x19, please refer to the manufacturer's official website or authorized dealers. They can provide you with the necessary assistance regarding product safety, maintenance, and usage.

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your Laugo Arms Alien Full Kit cal 9x19. Always prioritize safety and be responsible in your use of firearms.

Guida alle Istruzioni di Sicurezza per la Pistola Laugo Arms Alien Full Kit cal 9x19

Introduzione

La pistola Laugo Arms Alien è un'arma semiautomatica innovativa progettata per offrire prestazioni superiori e un controllo ottimale. Questa guida fornisce importanti informazioni sulla sicurezza, l'uso e la manutenzione della pistola, in conformità con il Regolamento Generale sulla Sicurezza dei Prodotti dell'Unione Europea (GPSR).

Linee Guida Generali di Sicurezza

- Leggere attentamente il manuale dell'utente prima dell'uso.
- Utilizzare la pistola solo per scopi legali e in conformità con le leggi locali.
- Tenere la pistola fuori dalla portata dei bambini e di persone non autorizzate.
- Assicurarci che la pistola sia sempre trattata come se fosse carica.
- Non puntare mai la pistola verso qualcosa che non si intende colpire.
- Indossare sempre occhiali di sicurezza e protezioni per le orecchie durante l'uso.
- Non utilizzare munizioni danneggiate o non conformi alle specifiche del produttore.

Precauzioni di Sicurezza Specifiche per l'Uso

- Controllare sempre che l'arma sia scarica prima di effettuare qualsiasi operazione di manutenzione o pulizia.
- Non modificare mai la pistola senza l'approvazione del produttore.
- Evitare di utilizzare munizioni di tipo diverso da quelle raccomandate (calibro 9x19).
- Non utilizzare la pistola sotto l'influenza di alcol o sostanze stupefacenti.
- Assicurarci di avere uno spazio sicuro e appropriato per il tiro, lontano da persone e animali.

Istruzioni per l'Installazione e l'Uso

Installazione

- Assicurarci che la pistola sia scarica prima di iniziare l'installazione.
- Seguire le istruzioni del produttore per l'installazione di accessori, come ottiche o mirini.
- Verificare che tutti i componenti siano correttamente fissati e funzionanti prima dell'uso.

Uso

- Tenere la pistola con una presa sicura e controllata.
- Utilizzare il grilletto solo quando si è pronti a sparare.
- Durante il tiro, mantenere un angolo di rinculo controllato; la pistola Alien è progettata per ridurre il rinculo.
- In caso di inceppamenti o malfunzionamenti, seguire le procedure di risoluzione dei problemi fornite dal produttore.

Istruzioni per lo Smaltimento

- Non smaltire la pistola o le munizioni in modo irresponsabile. Seguire le normative locali per il corretto smaltimento delle armi e delle munizioni.
- Contattare un professionista autorizzato per la dismissione della pistola se non è più utilizzabile.

Informazioni di Contatto per Ulteriori Supporto

Per ulteriori domande o per segnalare prodotti non sicuri, contattare l'ente competente della propria nazione o visitare la piattaforma Safety Gate dell'Unione Europea per aggiornamenti sui richiami.

Seguendo queste istruzioni e linee guida, gli utenti possono garantire un uso sicuro e responsabile della pistola Laugo Arms Alien, contribuendo a prevenire incidenti e garantire la sicurezza personale e altrui.
